PRE-WEDDING PHOTO SESSION

This is a session that we can do a few days before the wedding day. This is a perfect opportunity for us to get to know each other before your Big Day. You will get used to the camera and have some extra photos. We can also do this session in a location that is significant to you and where we don't have time to go during your wedding day. Look at these [photos of Rita and Marco](#), it was a pre-wedding session in the same place where Rita's parents got married.

If you are planning to have a rehearsal dinner and would like it to be photographed, there is no problem, we can replace a session just for you two with the rehearsal dinner reportage.

You can find a "pre-wedding photo session" included in the Complete and Classic Collections as a gift. If you don't have opportunity to do it before, we can do it after your wedding day. In case you don't want to have this session for any reason, it will not change the price of the package.

In case you are OK with the conditions, these are **THE NEXT STEPS**:

1. Please, send me a message via my website or e-mail: hello.olgamoreira@gmail.com.
Would be great if you include the following information: date of your wedding, where it will take place and approximate number of guests, and other information that you think may be important. Then I can tell you if I'm available on your date and can tell you the final price, if it's different from the package price (for example, because of the destination fee that may be included if the wedding location is far away from Lisbon, or if you need special services not included in the package).
2. If you're ok with the conditions and I have your date available, I'll ask you to find time to chat personally or online. I'd like to know more about you, your wedding day and preferences. And I'll tell you about the way I work. I have a lot of questions. Maybe you do too :)
3. After the chat I will ask you to make the pre-payment to reserve the date, it is 30% of the final price and it is not refundable in case of cancellation on your part.
4. Meantime we keep in touch, and do the pre-wedding photo session.
5. One week before the wedding day I'll ask you to pay the rest 70% of the price. Why BEFORE the wedding? Because I don't want to bother you during your wedding day with the payment part. After the wedding you will be on honeymoon, spending time with each other and your closest ones. The least thing I want to do is to disturb you with it.
6. Your wedding day!
7. Within a week after the wedding I'll send you highlights of the Big Day.
8. The rest of the photos will be ready within 30 business days. I'll let you know as soon as I have them ready!

I am thoroughly glad with your attention to my work. This means that,
like me, you value natural and genuine photos,
in which people are not posing, but living.

Thank you,
Olga Moreira
